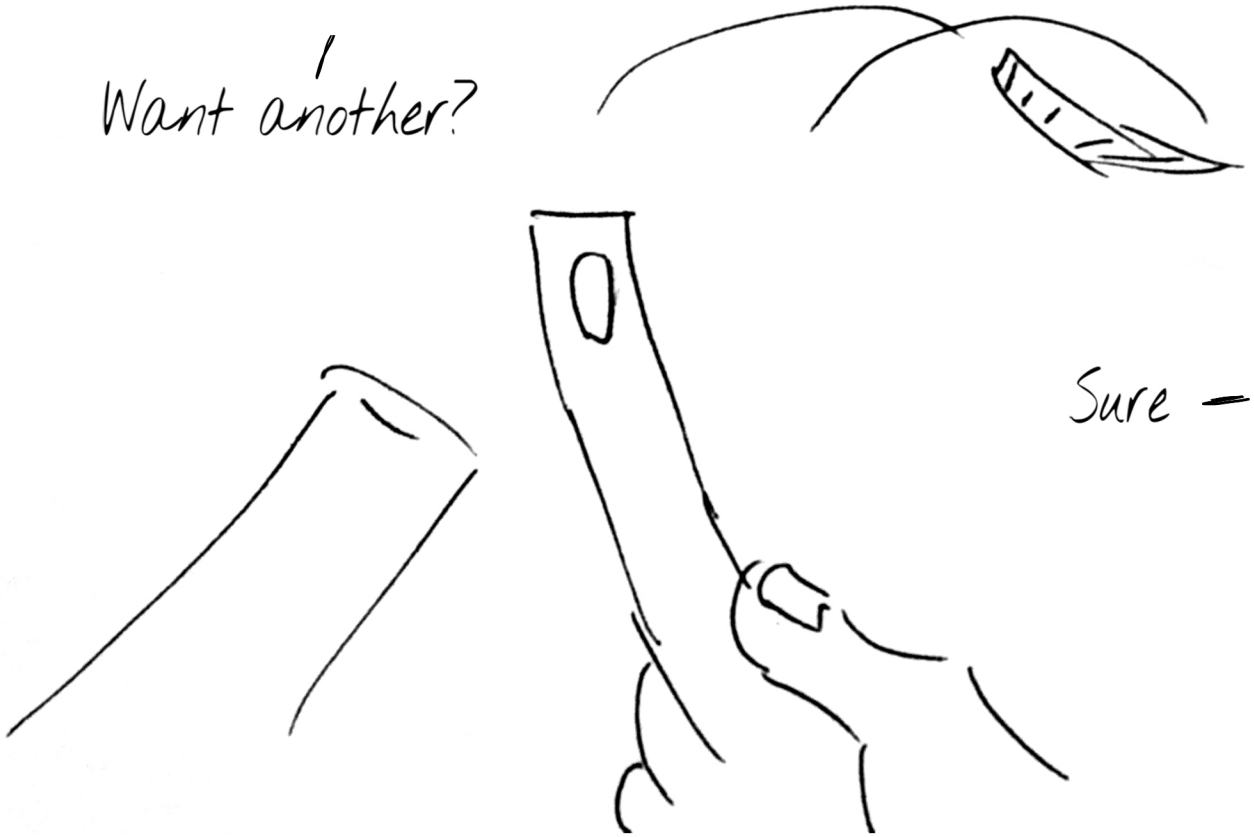
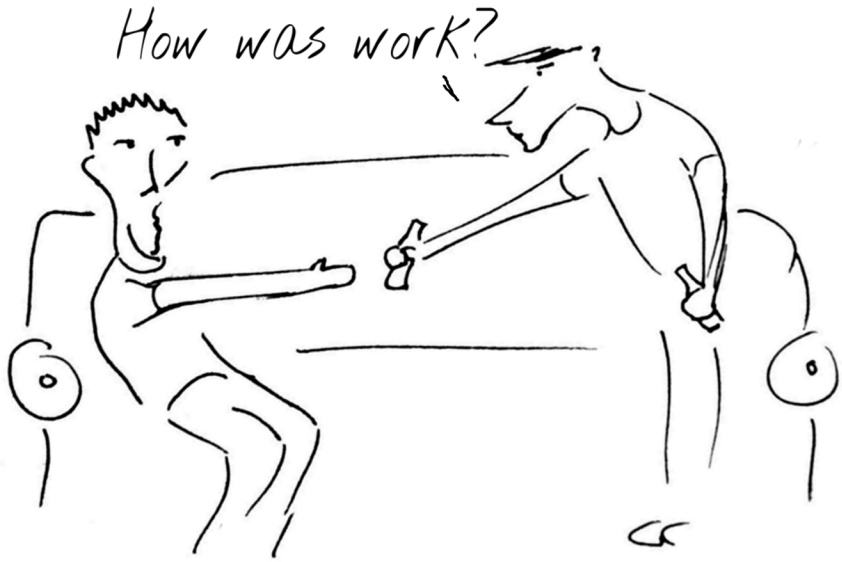
PART 1





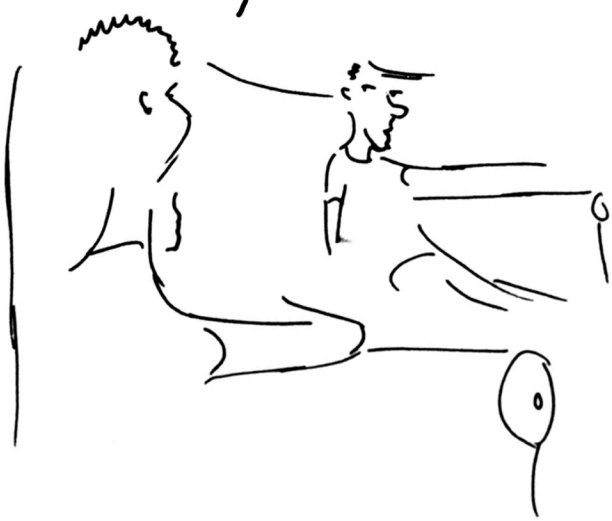
How was work?

Oh man, so bad. I hate it.
I'm so happy to be here
drinking right now,
I needed this so bad.

Sorry.
– I mean, I'll live.

Well, keep drinking here with me,
so no one can say you have a problem.

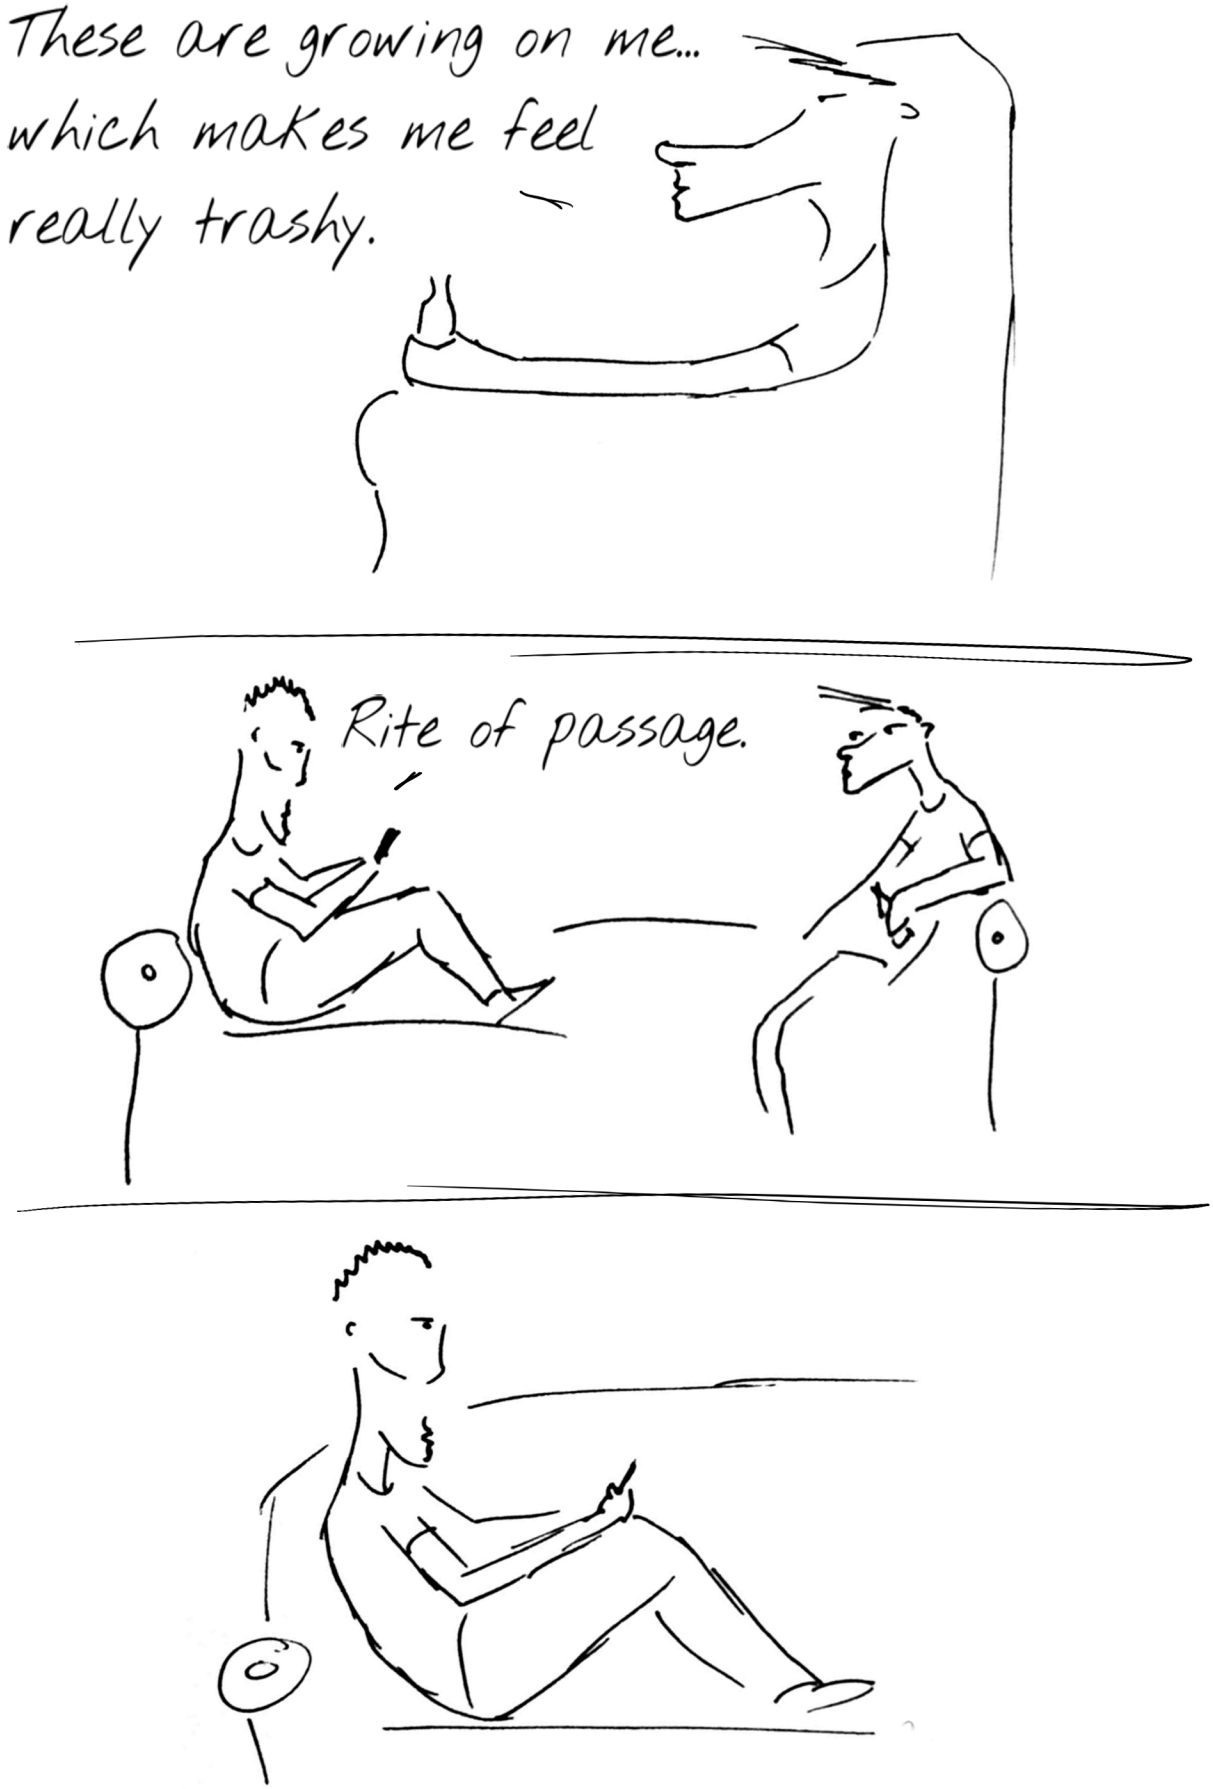
So I can't go home?



Well you have to take me with you,
and we drink on the way. No, I
just meant so you're not drinking alone.

No, I know. And I never want to stop drinking, so we'll be together forever.
That works!
I can't stand the smell anymore. I'm sure I'll never be able to eat there again.

Oh, I thought you meant the smell here for a second.
Oh, no, you're good...
Or you know, I'm used to it.



These are growing on me... which makes me feel really trashy.
Rite of passage.

Sorry, do you want me to put in a movie or something?
Nah, I'm not sure I'd make it through a movie.
Maybe a short one. How many minutes ya got in ya?

Eight.
I'll see what I can find.
Are you feeling too drunk to drive?

I was thinking about getting some food.

So that'll kill ya if the beer doesn't.
Haha, all good.
I'll get out of your way so you can get comfortable.

That's okay, I'm gonna fall asleep just like this.

Hey, been a while.

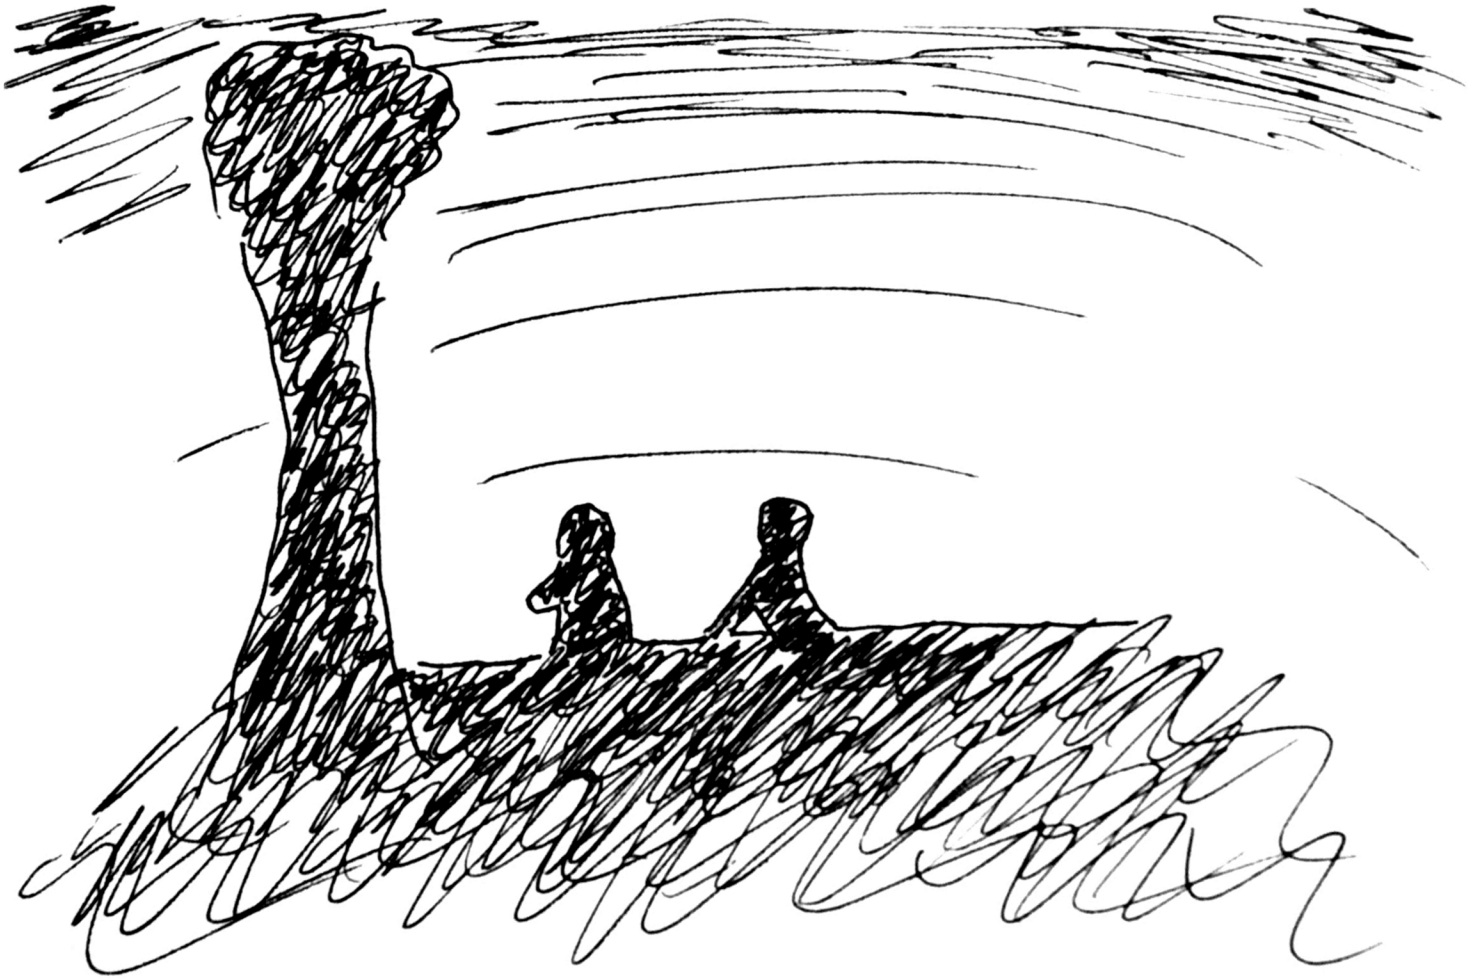
Yeah, how've you been?
You know, not bad.
What did you wanna do?
I don't know, what do you wanna do?

No, I thought we'd get some food, if you're hungry.
– Sure!
And then hang out. And THEN... talk.
Oh wow, I should have dressed nicer.
I mean, it wouldn't have Killed you.

Are you gonna finish your water?

OKay, I only sneezed in it twice.
- Perfect.
Slurrrrrp...

TED: wanna hang out?
sorry, can't tonight

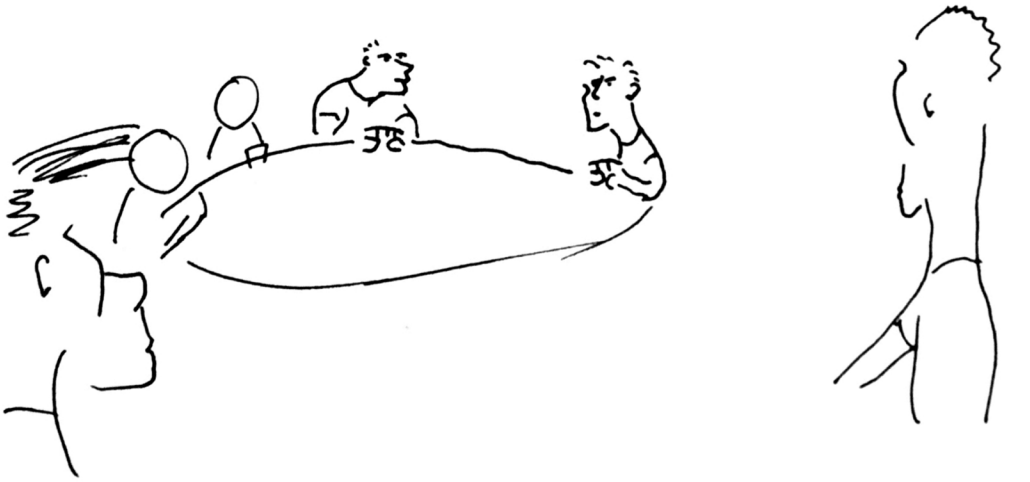


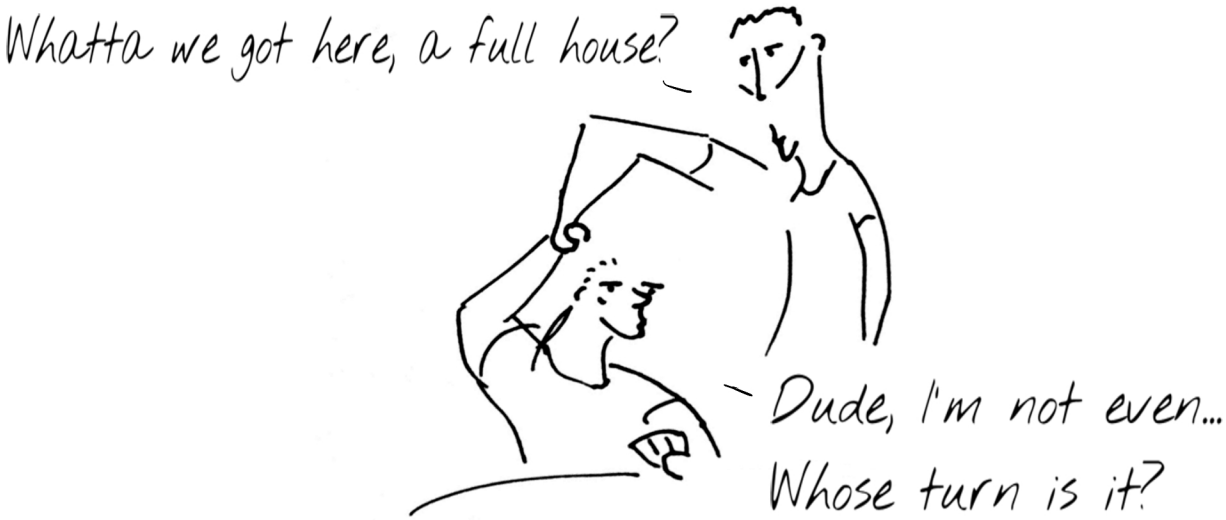
Oh, I just called in sick today...

I think I'll be fine on Monday. I just needed to get out, away from there for a bit.
No, that makes sense.
How was your date last night?

It went pretty well actually.
She's pretty cool.

Hey, Ted. Dean.
Hey, Jane!

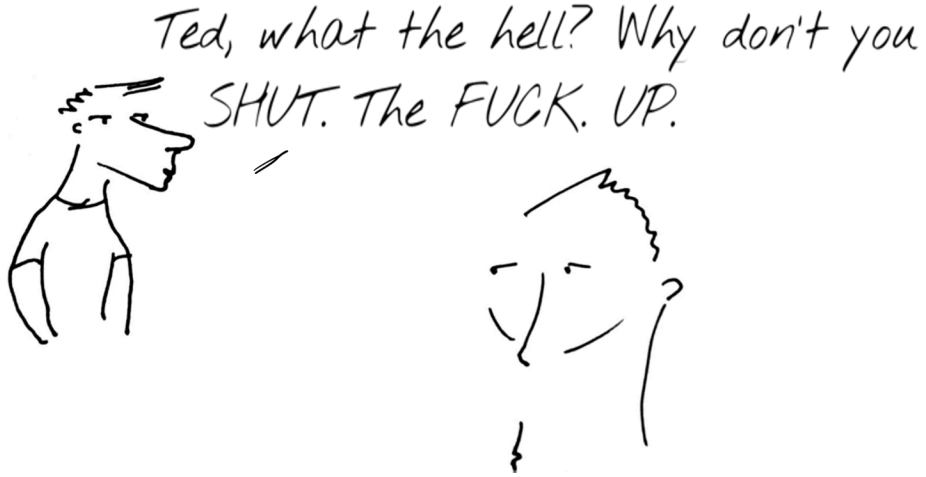




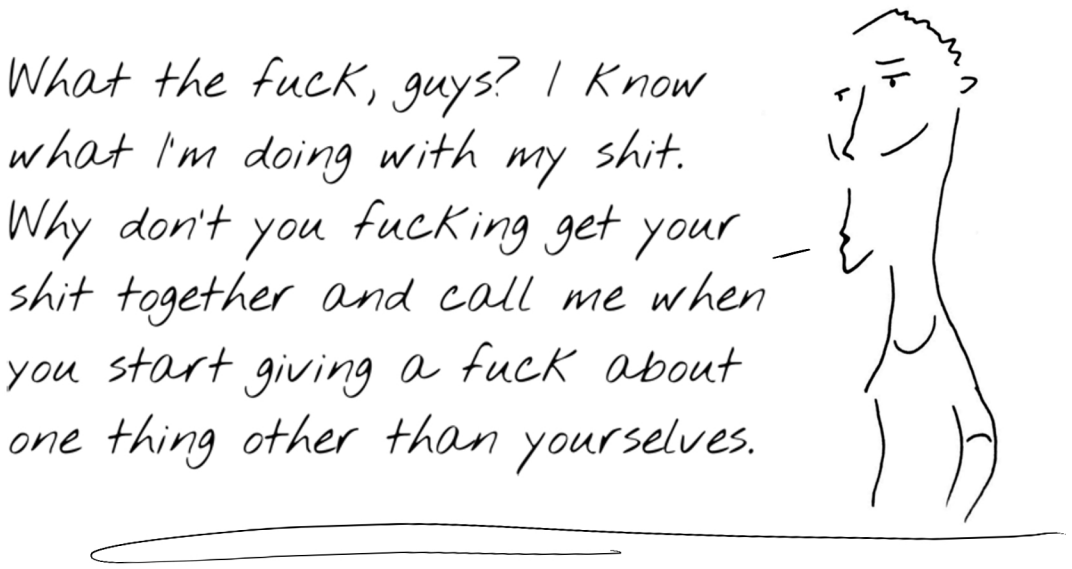
Whatta we got here, a full house?
Dude, I'm not even...
Whose turn is it?

Oh my god, I don't even Know what was bet so far.
Yours.

No one, it's to you.
Oh boy, um... 20.
Ted, did you-?
Tim, why do you suuuuck?
Shut the fuck up, Ted. You shut the fuck up.



Ted, what the hell? Why don't you SHUT. The FUCK. UP.



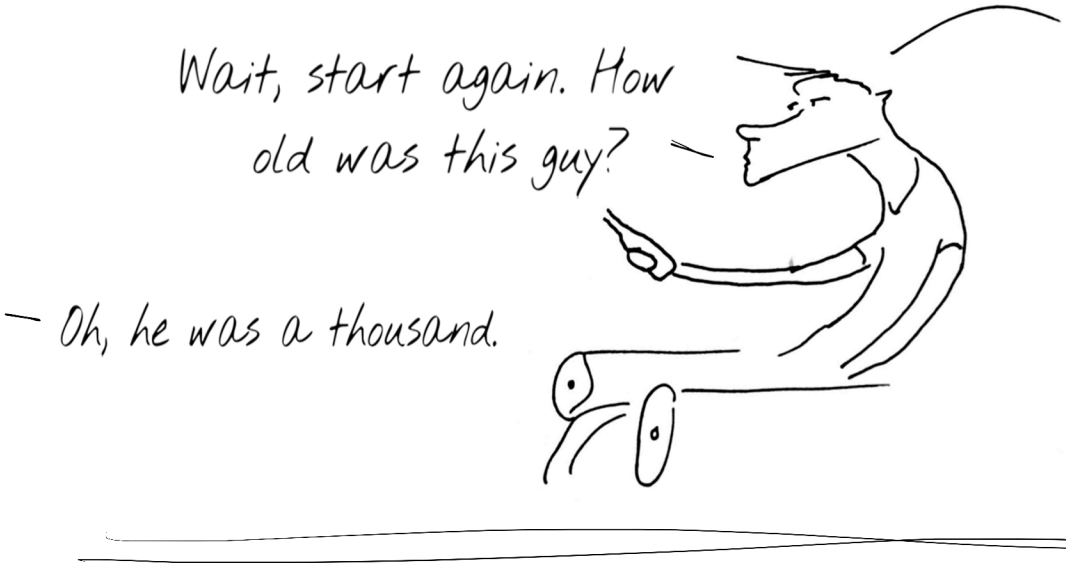
What the fuck, guys? I Know what I'm doing with my shit. Why don't you fucking get your shit together and call me when you start giving a fuck about one thing other than yourselves.

Fuck you.
Goddamn it, whose turn is it?

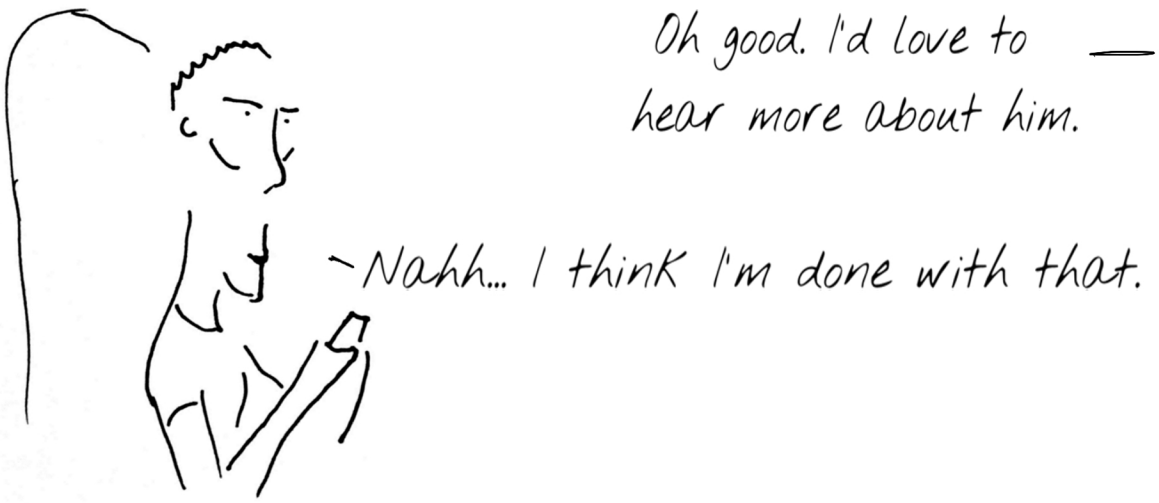
Sorry, I think we might be kinda done with this game.
Yeah...
Yes, thank you.
I kinda got the sense of that.

Right, okay, so did he have any special attributes, or?

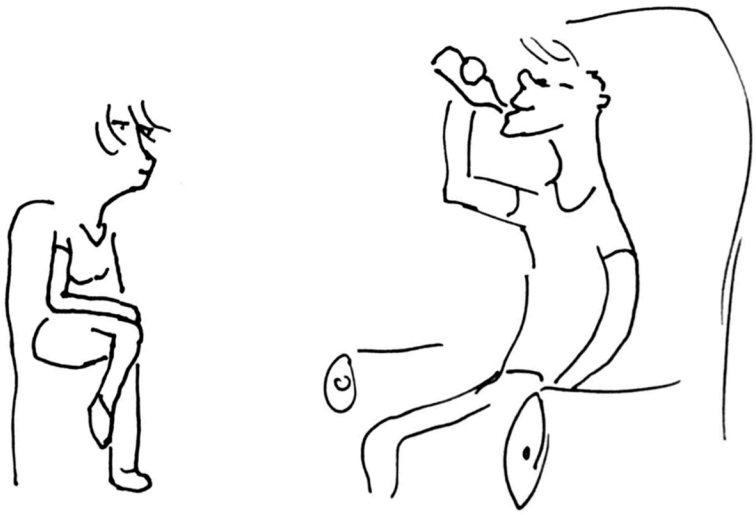
I was just getting to that, if you'd let me finish.
Sorry, please continue.
Thank you. So as I was saying...

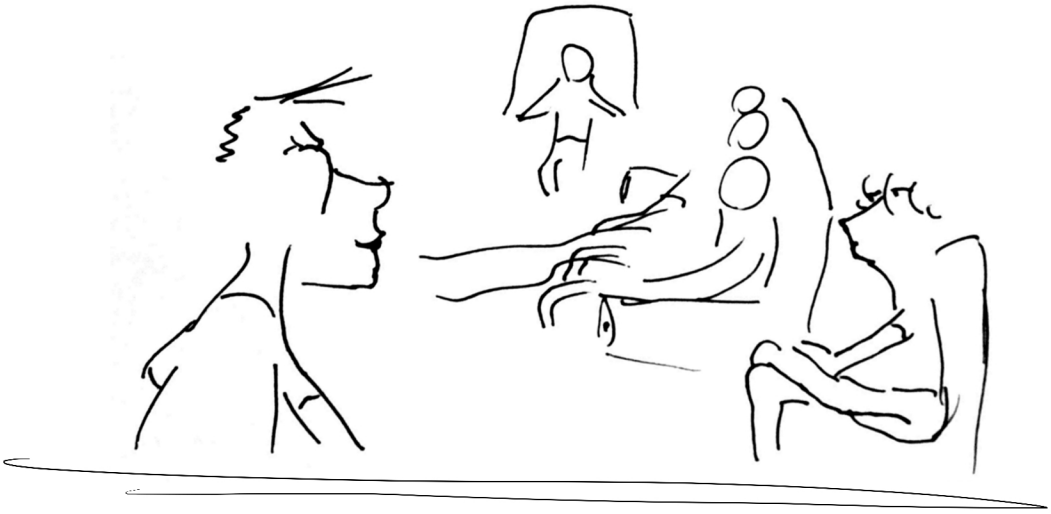


Wait, start again. How old was this guy?
Oh, he was a thousand.



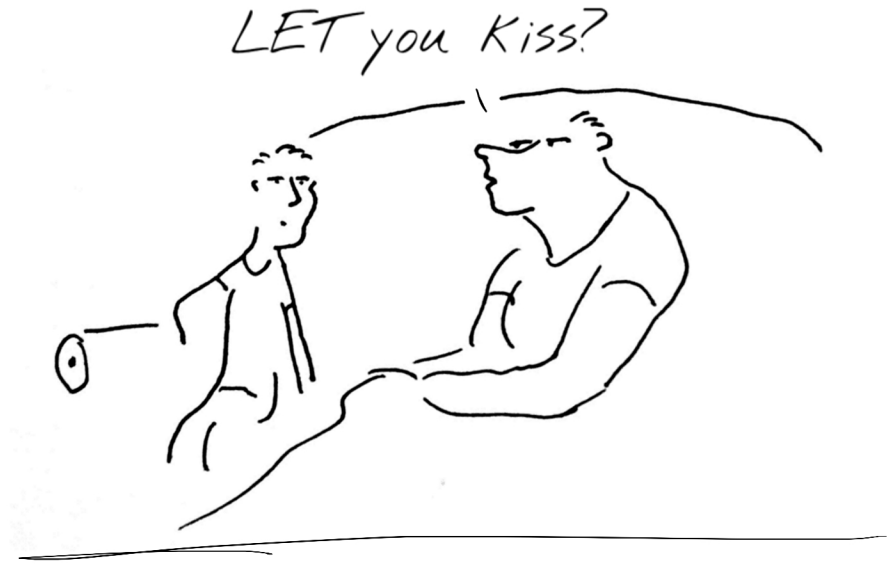
Oh good. I'd love to hear more about him.
Nahh... I think I'm done with that.



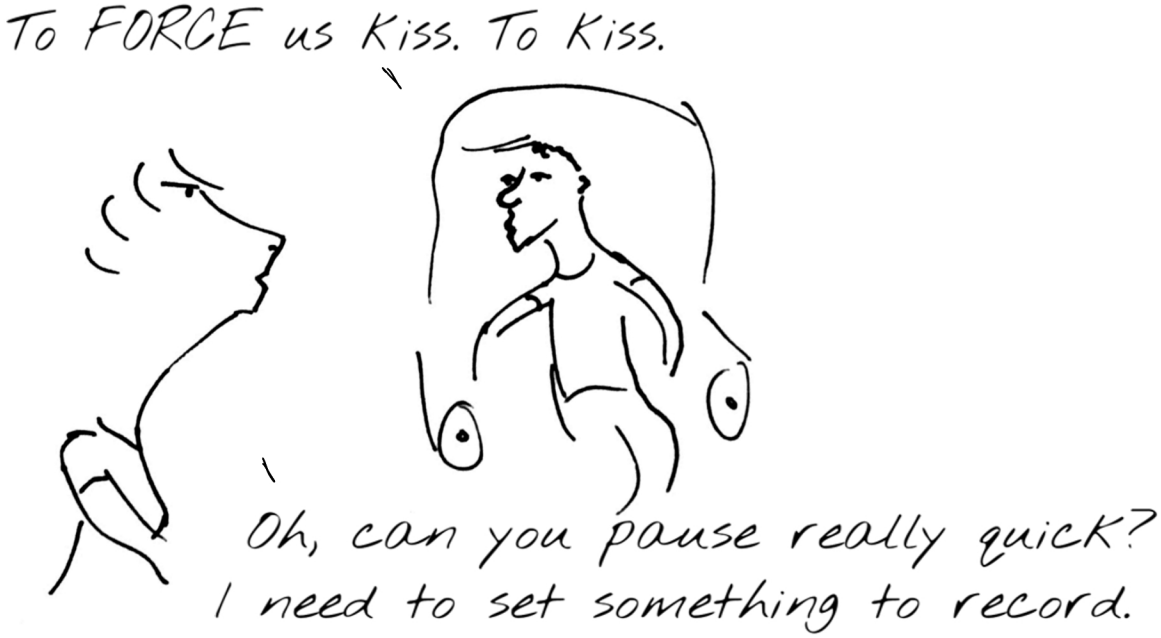


That's probably like the most normal combination in this group.

Wait wait wait, no
okay, so, I dare... Mike to dare
me to let Ted and I kiss.



LET you kiss?



To FORCE us kiss. To kiss.
Oh, can you pause really quick?
I need to set something to record.

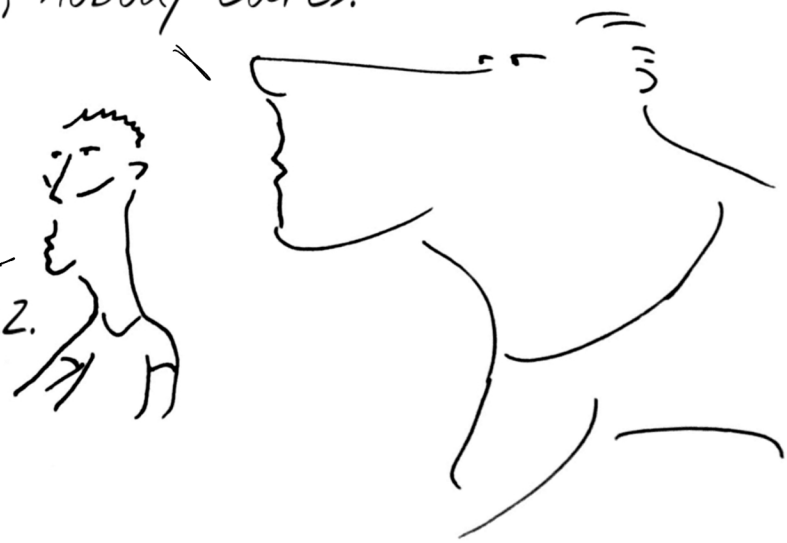
Yep, you're good.
Oh, I forgot that was on tonight.
So...

So. Do you dare us?
Guys, do you dare us?

Dude, do you actually wanna kiss him? Just go for it.

Is that a dare?

Just do it, nobody cares.



Yeah, lay it on me, Cuz.

Ohhh, it's on! Everybody dared us, and now we have to.

Is this real? Can I borrow someone's chapstick?

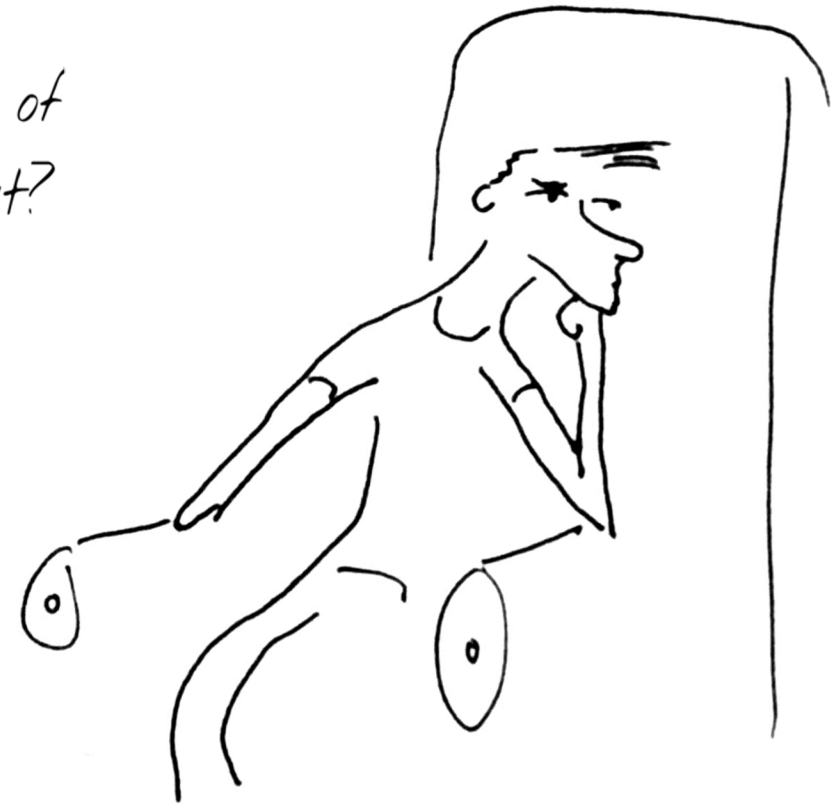
Seriously, nobody cares, go have your fun.

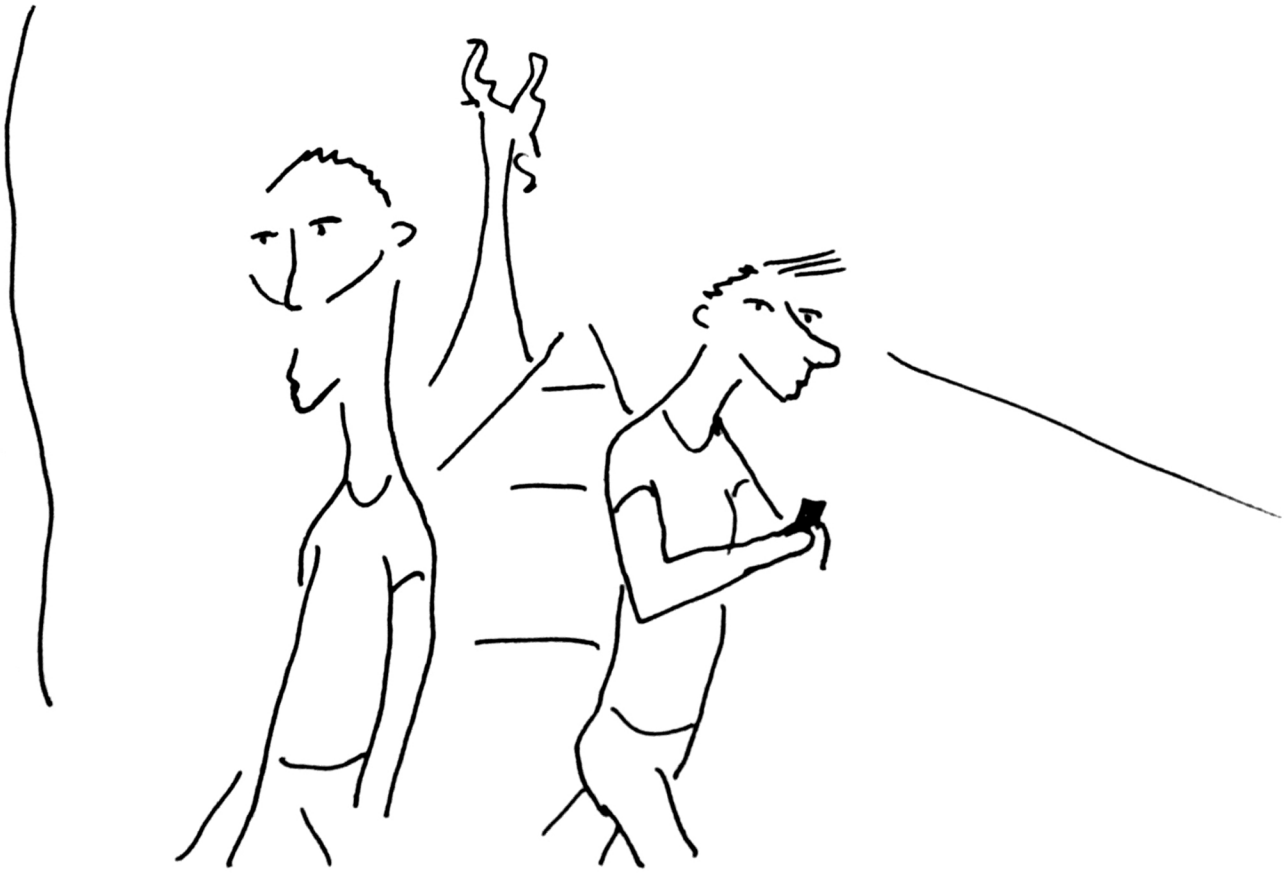
Ha
Ha
Ha
Are you okay?
Yeah, I'm fine.
Are you sure?

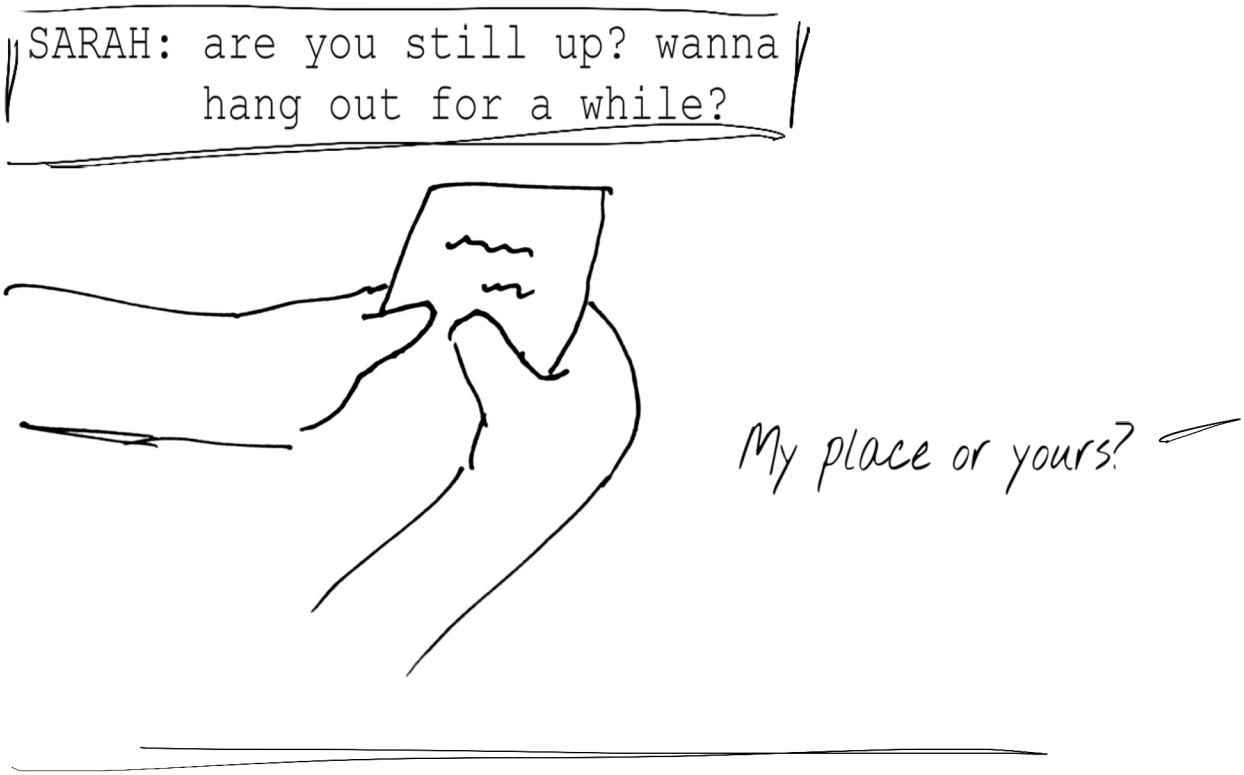
What? Jesus christ, I don't actually wanna fuck Ted.

— Alright, I'm sick of losing, who's next?

— Yeah sure, I'll go.







SARAH: are you still up? wanna hang out for a while?
My place or yours?
